

Obituary Template

Goal

- Provide a simple framework for any published notification of death
- This is an example, nothing is set in stone.
- The text highlighted in green can (and should) be altered to make this more personal.
- [Here's a good one](#) to give a giggle.

NAME.....

DATE OF BIRTH.....

DATE OF DEATH.....

(Passed away/ Peacefully and with dignity/ suddenly)

at

(after a long illness / short illness)
